

# Rain or Shine...

*We have  
you covered!*

Rittenhouse Senior Living offers **Independent Living Villas** where your worries are left behind.

Living in an older home has its worries. How much will that cost to replace? Who will I get to fix this? I don't want to take care of the lawn anymore. If only my house was new again. Sound familiar?

Our Villas are new, maintenance free living with two bedrooms, two full baths, attached garage, patio, and covered porch in a quaint secured senior community.

Start your retirement living carefree!
